December 2011

The latest!

Snow has arrived in Utah. Hmmmmm

So much happening here I can hardly keep up with the progress.

First, our web site. www.CBS4Kids.org has had a makeover with MANY thanks to Ryan Ipolito from Ringoes, NJ who offered to do the makeover for us gratis. Take a look, much easier to use and navigate.

Second: CBS4Kids has launched a new Bible storying approach of sorts under www.biblestoryofgod.org (should be up in a week or so) which is dedicated just to **FREE resources** and our new set of 12 stories for adult and mission work (as well as for local churches), The Story of God in 12 Stories. This story set is a little different than The Beginning Story of God, but is excellent for getting people into the overview of the Bible and God's plan for mankind. It is **FREE** and can be downloaded off the web site and used by churches and mission teams. It is also an excellent outreach resource to give away to people in the community to connect them with your church. On request, we will send you the cover page in WORD so you can add your church's contact information and name to the cover.

Third: The Beginning Story of God has been translated into Chinese and that booklet (**FREE**) is now available for printing and distribution. If you know of any Chinese churches or ministries you are welcome to obtain that off the web site as a FREE download and pass it along.

Fourth: As most of you know, CBS4Kids has The Beginning Story of God in **Spanish**. That too is FREE as a download and is printed in a 5X8 handy size format. EXCELLENT for mission teams to take and give away in Spanish speaking locations.

Fifth: (it just keeps going, doesn't it?) CBS4kids offers a **FREE** download with a **Bible Storytelling for Kids Workshop**, ready to print out and use to train kids and teens how to be effective Bible storytellers. Check it out at www.biblestoryofgod.org

Sixth: CBS4Kids has just completed the VERY compressive **200 page Bible Storying 4 Kids and Children's Ministry Handbook**. It is available for \$35 donation and comes with the new sell Bible story symbol panel in a variety of colors. It is listed in the ordering section of the www.CBS4Kids.org web site.

REMINDER: CBS4Kids FREE! : The Beginning Story of God, the first 12 stories, **FREE to churches and ministry organizations** (and individuals) as a download. It comes ready to print in a 5X8 booklet size. This Beginning Story of God devotional is the first 12 stories in the CBS4Kids Bible learning approach, in a chronological sequence so that the story of God is understood from the very youngest child. The Beginning Story series begins with the Bible as a special book to us from God and concludes with becoming part of God's family. Churches and organizations may also personalize the cover with their church or organization name and contact information to make it a church or organization item. **Available in English and Spanish!** For information on how to obtain a copy of the **FREE** offer contact: Kurt@CBS4Kids.org or, in Canada mjgrant@sasktel.net or visit the web site www.CBS4Kids.org

CBS4Kids Small Fabric Bible Symbol Panel: Now available in several different solid colors large bandanna size panels 22" X 22". \$3 each and come in a variety of colors. If interested go to the web site at www.CBS4kids.org under the resources menu and give us a hint of the colors you might want; red, yellow, orange, hot pink, light pink, light blue, lilac, tan, gray, bright green, just about any color in the rainbow you can think of.

Support CBS4Kids: Special thanks to all of you that pray for us and those who have supported us financially. I hope you will consider future support for the CBS4kids worldwide projects. As in the past and present, all contributions are used directly for project expenses as there are no paid staffing costs; those of us who participate are volunteers.

CBS4Kids is a non-profit under **American Ministry Support and are contributions tax deductible**. Any contribution amount can be provided. Checks should be made out to **AMS** or **American Ministry Support** and sent to me for recording and processing. AMS will provide tax deductible receipts.
